### Our Vision for History

At St. Paul and St. Timothy's Catholic Infant School we believe that History is an important part of the curriculum because it helps our pupils understand how the past has shaped the present. We build on the natural inquisitiveness children have for the world in which they live and the past they share, by providing dynamic, stimulating experiences through enquiry based learning.

The local areas of West Derby and Liverpool, which are rich in history, are an integral part of our curriculum. We teach children a sense of chronology, and through this they develop a sense of identity within their families, the local area and the world.

We believe all children should have an understanding of how events in the past have influenced our lives today. We encourage children to investigate these past events and, by doing so; they begin to develop the skills of enquiry, analysis, interpretation and problem-solving.
